ADMINISTRATION

The State Treasurer is responsible for receiving and investing state moneys, posting receipts to the proper funds, and signing warrants drawn according to law. As custodian of those funds, the State Treasurer determines the amount of state moneys not needed for current operating expenses and invests those funds in interest-bearing time deposits in Missouri financial institutions or in short-term United States government obligations or other instruments as provided by Article IV, Section 15 of the Missouri Constitution. Safety and liquidity are the State Treasurer's priorities in the investment of the public's funds. The State Treasurer monitors capital markets and works to maximize the return on the state's \$18.3 billion portfolio without compromising safety, earning the state millions of dollars in interest income each year.

The State Treasurer is also responsible for all state banking services, for authorizing all state payments and for reconciling those accounts. The State Treasurer establishes bank accounts for the collection of state moneys and for the receipt of all electronic payments. To protect taxpayers' money, the State Treasurer maintains a separate accounting system to provide a check and balance on the Office of Administration accounting system, and distributes investment earnings to the proper funds.

Additionally, the State Treasurer is tasked with the biennial transfer of funds to the General Revenue Fund and the transfer of excess interest earned on the debt offset escrow account as set forth in Section 33.080, RSMo and Section 143.786, RSMo.

MO BUCK\$ INTIATIVE

The MO BUCK\$ linked deposit program encourages economic growth and development in Missouri. It enables the state to provide reduced-rate deposits to financial institutions, which in turn make low-interest loans to eligible borrowers, as specified in Section 30.750, RSMo. Qualified borrower categories include agriculture, job creation, small business, alternative energy, local governments or other authorized categories. Under the MO BUCK\$ linked deposit program, the State Treasurer places deposits in Missouri financial institutions at a discount of up to 60 percent on the normal market interest rate. In turn, the financial institutions pass on the interest-rate savings by making loans to qualified borrowers at interest rates no more than 70 percent of the market rate. If the lending institution does not loan the full amount of the deposit, the institution must pay the state the difference between the market rate and the reduced linked deposit rate. If the State Treasurer determines that the lending institution miscalculated and overpaid additional interest, a refund is made to the lending institution.

UNCLAIMED PROPERTY AND THE ABANDONED FUND ACCOUNT

The State Treasurer administers the state's unclaimed property program by collecting, safeguarding, and working to return unclaimed property sent by financial institutions, insurance companies, private businesses, and public agencies. The State Treasurer's Office holds this cash and property until the owner or heir can be located or comes forward. The Treasurer is committed to returning as much unclaimed property as possible and continues to break records in this area. As required by state statute, the Treasurer also annually notifies owners of their unclaimed property via postcards sent to their last known address as well as by taking out advertisements in local newspapers.

In accordance with Section 447.543, RSMo the abandoned fund account receives and holds these unclaimed funds, making payment of valid claims. Any time the abandoned fund exceeds 1/12 of the previous fiscal year's disbursements, the State Treasurer may, and at least once every year shall, transfer the excess to general revenue. If verified claims for payment should reduce the balance in the account to less than 1/24 of the previous fiscal year's disbursements, the State Treasurer shall transfer from general revenue an amount sufficient to restore the fund to 1/12 of the previous fiscal year's disbursements. Additionally, pursuant to Section 470.020, RSMo the State Treasurer makes an annual transfer from the abandoned fund to the public schools fund equal to 5% of net transfers from the abandoned fund to general revenue.

ISSUING DUPLICATE AND OUTLAWED CHECKS

The State Treasurer is charged with replacing state-issued checks in the event they are not presented for payment within the legally required 12-month period pursuant to Section 30.200, RSMo.

CENTRAL CHECK MAIL SERVICE

The State Treasurer operates a centralized check mailing service for state agencies pursuant to Section 30.245, RSMo that allows the state to take advantage of bulk mailing rates and consolidation of payments to a single vendor.

MO SCHOLARS

The MO Scholars Program provides educational options to Missouri students and families. Additionally, the law provides for state tax credits for contributions to approved, non-profit Education Assistance Organizations (EAOs). These EAOs use the contributions to award scholarships to eligible Missouri students. The State Treasurer administers the fund and monitors compliance pursuant to Sections 166.705-166.720 RSMo.

<p>In order to carry out the operations of the State Treasurer's Office, the STO is requesting a new pay plan for positions essential to the office. The State of Missouri relies on the Missouri State Treasurer's Office to receive and invest the state's money; post receipts to the proper funds; all state banking services; administer the Unclaimed Property, MO Scholars, and MO BUCK\$ programs; replace lost or stolen state checks; and distribute checks through a central mail service. To remain competitive in the current employment landscape and preserve the financial well-being of its employees, the State Treasurer's Office must increase salaries. If the State Treasurer's Office is not able to hire and retain individuals for positions within the office, it will be difficult to maintain operations.</p>																															

NEW DECISION ITEM

Department: State Treasurer's Office	Budget Unit <u>27201C</u>
Division: Operating Core	
DI Name: STO Pay Plan FY25	DI#1272005 HB Section <u>12.185</u>

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

To continue the STO's goal of attracting qualified employees and retaining current employees, the STO requires room in its budget for future growth. Without the increase, wages will again be stagnant and will likely fall behind current job market offerings. The STO has lost numerous employees to better paying governmental and non-governmental opportunities in the last 12 months. Moreover, numerous STO employees are, or will soon be, eligible for retirement. Hiring experience over the last 12 months indicates that hiring new employees for vacant roles has become more expensive. STO's methodology includes consulting the Bureau of Labor Statistics data for comparable job types in the Jefferson City market, and, at the time this budget book was produced, the CPI-All index had increased 3.7% in the last 12 months, and CPI less food and energy was up 4.1%. Additionally, outreach to local businesses was performed, with one respondent saying its minimum starting wage was \$15.00 per hour. By comparison, the lowest paid STO employees make about \$16.30 per hour.

<p>Pursuant to sections 209.600-209.645 RSMo., the Missouri Treasurer's Office, as authorized by the Missouri ABLE board, is authorized to offer MO ABLE to eligible Missouri residents. MO ABLE, is a STABLE investment account available to eligible individuals living with disabilities. STABLE accounts allow you to save and invest money without losing eligibility for certain public benefits programs, like Medicaid, Supplemental Security Income (SSI), or Social Security Disability Income (SSDI). Earnings in STABLE accounts are not subject to federal income tax when spent on qualified disability expenses.</p>

In prior years, expenses related to administering and marketing the program were paid using an \$18,000 grant secured by the Missouri Developmental Disabilities Counsel, plus some of the STO core E&E. The life of the grant has expired, which puts STO in the position of bearing all MO ABLE expenses out of its own E&E. <p>2. CORE DESCRIPTION</p> <p>In order for the Missouri State Treasurer's Office (STO) to fulfill its advertising requirements (Chapter 447, RSMo.) regarding unclaimed property, the STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, website, booths at public events and other proactive owner locations) in an attempt to locate rightful owners of unclaimed or abandoned funds held by the STO. These funds will also be used for ongoing communications with owners, as they go through the claims process, and other claims related expenses, including computer system costs to manage data. The STO also must make all preparations to conduct an auction of items received that need to be liquidated. This includes securing an auctioneer, identifying a venue for the auction, cataloging the items to be sold, preparing an auction brochure for attendees, and placing advertisements for the auction.</p>

PROGRAM DESCRIPTION

Department: State Treasurer's Office

HB Section(s): 12.185, 12.195

Program Name: Abandoned Fund

Program is found in the following core budget(s): AF Advertising & Auction and AF Claims

1a. What strategic priority does this program address?

The Abandoned Fund, also known as the Unclaimed Property Program, receives, maintains, and pays out to the rightful owners of abandoned funds remitted to the state pursuant to Sections 447.500-595, RSMo.

The State Treasurer, through the Unclaimed Property Program, shall receive reports of unclaimed property from holders; shall keep record of the owner information submitted by holders; shall make prompt payment of claims submitted by owners; shall sell property held for 2 years at public sale; shall maintain a registry of representatives assisting in the recovery of unclaimed property held by the Treasurer, which have complied with the certification requirements in state statute to remain in good standing; and shall annually publish the names of persons appearing to be owners of abandoned property.

1b. What does this program do?

The State Treasurer's Office (STO) is obligated to issue a check to the rightful owners of unclaimed property in accordance with Missouri Statutes.

In order for the STO to fulfill its statutory advertising requirements regarding unclaimed property, the STO must mail notices, advertise in newspapers, and utilize outreach programs (i.e. radio, television, website, booths at public events and other proactive owner locations) in an attempt to locate rightful owners of unclaimed or abandoned funds held by the STO. The STO must also make all precautions to conduct an auction of items received that need to be liquidated. This includes an auctioneer, locating a place to hold the auction, cataloguing the items to be sold, and advertisement for the auction.

2a. Provide an activity measure(s) for the program.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFF fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

Advertising requirements will continue to grow simultaneously with the increase in unclaimed abandoned funds. Additionally, costs associated with advertising requirements and Abandoned Fund software continues to rise. Unclaimed Property will require a system upgrade of its current software program and increased ongoing maintenance.

5. BREAK DOWN THE REQUEST BY BUDGET OBJECT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.

DI Name: AF Claims Increase	DI# <u>1272002</u> HB Section <u>12.215</u>

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFF fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

Appropriation activity is driven by the amount of claims paid out, and in large part is influenced heavily by the most recent receipts to the Abandoned Fund. The state's outlawed checks are remitted to the Abandoned Fund after 3 years and the total of outlawed checks increased from \$4.3 million to \$23.0 million over the last ten fiscal years, with a substantial increase from \$9.8 million to \$18.5 million occurring from FY20 to FY21 and continued growth into FY22 and FY23. The STO expects the Abandoned Fund's claims to grow in proportion with the increase in outlawed checks.

5. BREAK DOWN THE REQUEST BY BUDGET OBJECT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.

2. CORE DESCRIPTION

In the event an audit indicates that an interest refund is due to a depository institution regarding a linked deposit, adequate funding must be available to make the refund. Section 30.758.5, RSMo, provides that, "...the state shall receive market interest rates on any linked deposit or any portion thereof for any period of time for which there is no corresponding linked deposit loan outstanding to an eligible [borrower]..." When a financial institution miscalculates and overpays the amount of market interest owed to the State Treasurer's Office (STO), the STO must have a mechanism to refund the overpayment.

STATE OF MISSOURI FUND FINANCIAL SUMMARY

DEPARTMENT: State Treasurer's Office

FUND NAME: State Treasurer's Office General Operating Fund

FUND NUMBER: 0164

REVENUE SOURCE: The source of revenue for this fund is the retainage of interest earnings as authorized by Section 30.605, RSMo.

FUND PURPOSE: This fund is used for the general operations of the Office of the State Treasurer excluding the Unclaimed Property Division (separately funded through the Abandoned Fund 0863). The salaries and fringe benefits for employees performing investment, cash management and administrative

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: The Treasurer's Office strives to keep unexpended appropriations low however, the current unexpended appropriation is needed to maintain the option to pay directly for banking services. Directly paying for banking services is something that has not been done yet.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments

EXPLANATION OF OUTSTANDING PROJECTS: The State Treasurer's Office has several in-house systems that require routine maintenance from in-house staff. These systems are sufficiently aged that updating of the systems and the source code are necessary to keep them functioning properly. The State Treasurer's Office plans to update these systems as resources and funding are available with both in-house and external programming staff.

EXPLANATION OF CASH FLOW NEEDS: Because interest receipts can fluctuate greatly month-to-month based on the state's overall cash flow, the State Treasurer's Office manages the cash flow needs of this fund by striving to maintain a fund cash balance of half a fiscal year's budgeted expenditures. This is accomplished by reviewing the interest retainage calculations on a monthly basis and adjusting them as needed.

OTHER NOTES: Notwithstanding the provisions of Section 33.080, RSMo moneys in the State Treasurer's general operations fund shall not lapse to the general revenue fund at the end of the biennium unless and only to the extent to which the amount in the fund exceeds the annual appropriations from the fund for the current fiscal year.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.

REVENUE SOURCE: The source of revenue for this fund is abandoned property remitted to the State Treasurer's Office by the holder.

FUND PURPOSE: This fund contains amounts remitted by holders to the state as Unclaimed Property. The fund is used to pay owner claims, and also enables the State Treasurer's Office (STO) to fulfill its advertising requirements for unclaimed property. The STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, internet website, booths at public events and other proactive activities) in an attempt to locate owners. The STO must conduct an auction of items received that need to be liquidated and pay out claims to the rightful owners of the unclaimed property. The fund pays for salaries and fringe benefits of the Unclaimed Property Division staff and related expense and equipment costs effective FY2006.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: Unexpended personal service dollars are the result of occasional staff turnover resulting in the division not being fully staffed for the entire fiscal year. Unexpended advertising and auction dollars are the result of cost savings achieved by competitive bidding.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments.

EXPLANATION OF OUTSTANDING PROJECTS: This fund has no outstanding projects.

EXPLANATION OF CASH FLOW NEEDS: The Abandoned Fund's cash flow needs are to ensure sufficient cash balances to pay claims for unclaimed property. The State Treasurer's Office does possess appropriation authority to transfer funds from the General Revenue Fund should the cash balance in the Abandoned Fund become insufficient to pay claims.

OTHER NOTES: At any time when the balance of the account exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, the Treasurer may, and at least once every fiscal year shall, transfer to the general revenue of the State of Missouri the balance of the abandoned fund account which exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, and notwithstanding the provisions of Section 33.080,
